STATEMENT OF SUBSTANCE OF INTERVIEW UNDER 37 C.F.R. §1.133

This is in response to the Interview Summary mailed June 18, 2007. The applicants wish to again thank Examiners Kosson and Prouty for the courtesy of the personal interview conducted on June 7, 2007, with the undersigned and Dr. Hey.

The pending claims were discussed. Proposed amendments to the claims were discussed. Dr. Hey presented background information and an overview of the subject technology, including extensive data to support various aspects of the subject invention. Available information regarding structural similarities of all the exemplified proteins was discussed. Examiner Prouty suggested that claims be presented that are directed to the exemplified species, and that it would be requested that additional sequences be searched. It was agreed that such claims would be presented in a response to the outstanding office action.
